### **DISCLAIMER**

The attention of the National Pension Commission (PenCom or Commission) has been drawn to the misleading publication on [www.recruitmentfile.net](http://www.recruitmentfile.net) alleging that the Commission has commenced recruitment exercise for 2023/2024.

The publication further states that suitable candidates are to submit their applications through a recruitment portal on the Commission's website.

The general public is kindly requested to note that the publication is entirely false and that no such exercise is underway. The Commission invites the general public to further note that all credible information about its activities is available on its website ([www.pencom.gov.ng](http://www.pencom.gov.ng)) and its social media handles (Facebook: @PenCom.gov; and Twitter: @PenComNig).

The Commission has in the meantime reported the website to the relevant authorities for appropriate action.
